ANNUAL REPORT

HEAD OF SCHOOL

VICKI MCCARTHY

The 2018-2019 school year marked the end of my tenth year serving as the Head of School for MCMS. Throughout this time, our school has seen tremendous growth, and this last year was no exception. We are so grateful to all of our families that

helped support us by donating their time, energy, and financial resources to our school. We are a better and more vibrant place because our families, donors, and volunteers so generously give back to our community.

We thank you for allowing us to continue supporting us in our mission of respecting children and the natural joy of discovery! You are making a true and lasting impact in the lives of our students, and for that we are deeply grateful.

Vicki McCarthy

DIRECTOR OF ADVANCEMENT

COURTNEY DALTON

At the heart of all of our development work, we aim to build relationships with our parents, alumni, alumni parents, grandparents, friends and relatives, and the greater community. It is the support of our community of donors that enables us to provide our student body with an education that supports the development of imaginative, self-directed young people eager to contribute to our world. Gifts made to our Annual Fund can be spent as they come in and are directed wherever the need is greatest, creating opportunities for learning and discovery, providing financial assistance for our MCMS families, and giving us the flexibility to take advantage of emerging opportunities and respond to unanticipated needs and challenges. This Annual Report honors the many aspects of our community's generosity. Thank you for allowing us to continue to fulfill our mission again this year.

ENDOWMENT FUND

The MCMS Endowment was established in 2008 by donations made from the friends and families of MCMS. The first fund of the Endowment, the Dorothy Zografi Scholarship Fund, was created by the MCMS Board of Trustees in recognition of Dorothy Zografi's invaluable contribution to the growth and character of MCMS, and the vision to respect children and their natural joy of discovery. Over the 22 years of running the school, 1984-2006, Dorothy strongly believed in the importance of offering the opportunity of a Montessori education to those who demonstrated dedication and commitment to the Montessori Method, regardless of economic situation.
