** The Upper Elementary (UE) and Adolescent (AD) curriculum includes overnight enrichment experiences; typically, up to four nights away in UE and three weeks in AD. Charges are set by outside vendors. These fees are included in the above tuition amounts, so no additional fees will be charged.*

Deposits: Deposits are due with submission of signed Enrollment & Tuition Contracts (ETC). For re-enrolling students, deposits are rolled over year to year until a child completes their educational experience at MCMS. Deposits are refunded only after completion of a full school year and payment of full annual tuition costs, including any incidental charges, no later than July each year.

Annual Fee: This non-refundable fee pays for program-related costs, such as consumable classroom supplies, snack/milk, and most off-campus day trips and transportation. Annual fees are billed on the first invoice of the school year, which typically occurs in August.

Annual Tuition: Tuition is charged on an annual basis. Families may choose to pay their annual tuition in full (invoiced in August), in 2 equal installments (invoiced in August & January), or divided into 10 equal installments (invoiced monthly August – May). 10-month installment plans include a 1% service charge, reflected in the payment options above. Families will select their payment preference on the ETC; if no preference is indicated, the family will be invoiced based on the 10-month installment plan. A \$100 Enrollment Change Fee is charged for reductions in programming requested after October 1.

Application Fee: A non-refundable \$100 fee is charged for each new student applying to MCMS.

Registration Fee: Returning families will be charged a non-refundable registration fee of \$50 per student upon re-enrollment for the upcoming school year.
